Company Overview

Euro Powers BD specializes in high-quality solutions for vertical transportation and power generation in Bangladesh. Established in 2022, we are recognized for our expertise in the installation and service of lifts, escalators, and generators. We are dedicated to delivering innovations, reliable products, and exceptional customer support for residential, commercial, and industrial clients.

Our Services

Lift Solutions

- Passenger Lifts: Capacity ranges from 6 to 8 passengers (480 KG and 1600 KG).
- Cargo / Car Lift: Capacity ranges 1500 KG to 6000 KG
- Customized Installations: Tailored to building requirements (residential, commercial, or industrial).
- Maintenance & Support: Ongoing service to ensure safety and efficiency.

Generator Solutions

- Power Range: From 30 KVA and above, suitable for residential and industrial settings.
- Onsite Installation: Complete integration with client infrastructure.
- Reliable Brands: Selection of reputed generator brands guaranteeing steady power supply.
